The Golden Chain Accommodation Atlas presents all of our accommodation locations throughout Australia and the Oceania region and suggests “things you must do” as you travel. Each location also lists things to see and do in that particular area making this Atlas a must for your travels.

The Accommodation Atlas is printed in Australian state alphabetical order including listings in Norfolk Island followed by International countries. Each region is represented by its own colour.

These colours correspond with the colours of the tabs beside the maps and the property entries. The Property Index and Location Index located on pages 12 to 116 lists our actual locations and red dots on the maps at the beginning of each section will show you at a glance where we are located.

State maps, Capital City maps and Metropolitan properties appear at the beginning of each state property listings.

WELCOME TO TARAWA

Kiribati (pronounced Kiribas) is an independent republic within the Commonwealth of Nations, located in the central Pacific Ocean, about 4,000km (about 2,500mi) southwest of Hawaii.

It is part of the division of the Pacific islands that is known as Micronesia. Kiribati consists of 33 coral islands divided among three island groups: the Gilbert Islands, the Phoenix Islands, and the Line Islands.

All of the islands are atolls (ring-shaped islands with central lagoons) except for the island of Banaba in the Gilbert Islands which is a raised limestone Island.

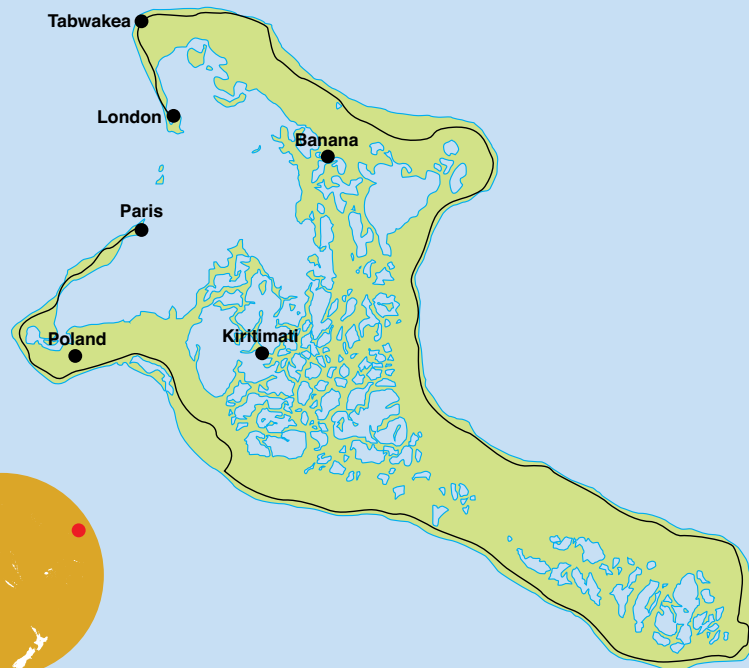

Of the 33 islands of Kiribati, 21 are inhabited. Most of the population is concentrated in the Gilbert Islands and only one of the islands in Phoenix Group (Kanton Island) is inhabited and three of the Line Islands are permanently inhabited.

The capital of Kiribati is Tarawa, an atoll in the Gilbert Islands. Bairiki, an islet of Tarawa, serves as an administrative centre.

THINGS YOU “MUST DO”

- Bone & Sports Fish Kiribati waters.
- Visit some of the bloodiest battles fought in World War II. Sixty years on and much of the evidence of these battles remain as a living museum; Tarawa, Butaritari and Abemama of the Gilbert group, and Banaba Island.
- Scuba Dive & Snorkel Kiribati's underwater playground. Tarawa and neighbouring Gilbert Island Atolls. Diving packages can be arranged.
- Surf the big and long breaks off Fanning & Kiritimati (Christmas) Islands. The beauty of the exclusiveness is because these places can be a little challenging to get to. Only the truly adventurous will need to arrange a surf trip of a life time with waves you have only dreamt.
